International Relations is explicitly pluralist in outlook. Editorial policy favours variety in both subject-matter and method, at a time when so many academic journals are increasingly specialised in scope, and sectarian in approach.

International Relations Papers

International relations (IR) is the study of relationships among the actors of international politics. Such actors include nation-states, international organizations, nongovernmental organizations, and multinational corporations. The field is also sometimes called international politics, international studies, or international affairs. In the United States, IR is a branch of political science, while it is considered its own interdisciplinary field in the European and British academy.
